Good Morning Alan...

The completed packet is attached. We have specialist vendors but this is really an in-house WTC BID production, so I did not fill-in the "contractor or vendor" information.

Do you want me to send the original? Can I come down next week to pay the fee and pull the permit?

Thanks Alan. Let me know if we can assist in any way.

Good Morning Alan...

Per our discussion last week, attached are the referenced materials in support of our Fire Department Permit for the Westchester Halloween Town Fair event to be held October 22, 2011.

Out TSE Permit # is 11410-90000-01749.

Let me know how I may assist further.

Since we need to submit your permit to others (ie County Health Department and Police Commission), I'd like to come down and pay for and receive our Fire Permit as soon as possible.

Thanks Alan.
